## ROUND UP

Date 30<sup>th</sup> November 2018

### Staffing News

As you know, Mrs N Holley is leaving us at the end of this term. Mr Gareth Halfpenny will be spending the day with Mrs Holley and the girls in the class on Friday 14<sup>th</sup> December.

### Gymnastics News

On Friday 23<sup>rd</sup> November, Howell's took part in the Cardiff and Vale Novice Qualifiers at the Sport Wales Centre. The U12s had a brilliant competition with Aseel leading the team made up of Eleni, Loulou, Nicole, Numa and Sophie to win joint gold with Bishop of Llandaff High School. Qualifying for the finals, the team then had to pull out all the stops again on Monday to go for a podium position. Missing out on gold by less than half a mark the U12s finished 3<sup>rd</sup> in Wales.

The U11s also competed on Friday 23<sup>rd</sup> November and produced some excellent routines across the board. The team consisted of Aleighka, Bella, Chloe, Isabella and Georgie. The girls did very well and were pipped to the top spot by Rhyd-y-Pennau School by a whisker. Producing high marks on the vault all the Howell's over 9s were looking on route for a medal. To the delight of the girls, their families and everyone at Howell's the U11s were crowned the Welsh Novice Champions. [Click here](#) for more information.

### Chess Competition

On Tuesday, Howell's went to Cardiff City Football Club to take part in a chess tournament. There were ten schools competing and each school took ten pupils. There were five rounds overall. The winner was awarded 1 point and if you drew, you had half a point. In total, Howell's had 22 points by the end, which put us in 6<sup>th</sup> place. We all had a great time and really enjoyed the competition.

## Tenovus Lovelight Carol Concert 2018

Wednesday evening saw over 60 girls from Years 5 and 6 take part in the annual Tenovus Cancer Care Lovelight Carol Concert in St John's Church in the centre of Cardiff. The choir for Howell's Prep School was just one of many acts on the programme, which included the Tenovus Sing with Us Cardiff North & South Choirs, vocalists Demi Holborn and Richard Moulton and saxophonist, Jo Wood. Hosted by ITV Wales' Carl Edwards, the Howell's choir sang a set of 3 songs and also joined the Sing with Us Choirs in a finale rendition of The Greatest Showman's, *This is Me!* Interspersed through the evening's entertainment were 3 poems on the theme of *Lovelight*, beautifully and sensitively written by girls in Year 6. During the lively concert there was also time to reflect and remember when the church lights dimmed and each member of the audience held a lit candle. Broken only by the distant strains of the music from the Christmas street market outside, this was the most poignant moment of the event. The girls from Howell's School sang and read beautifully and the staff accompanying them were delighted by both their performance and behaviour. Thank you for your support at this event - a really special way to begin the Christmas season! Mr Beckett

## An Author Visit for Year 6

Year 6 were excited to welcome author Angela Fish back to Howell's on Thursday 29th November to hear about her most recent books. Angela has been visiting this year group since they were in Year 2, and they always enjoy listening to her talk about the writing process and take tips from her to help with their own writing. ## Coffee and Mince Pies

Year 6 parents are invited for coffee and mince pies with the Principal on Monday 3<sup>rd</sup> December at 2.30pm. This will be an opportunity for Year 6 parents to ask Mrs Davis questions they may have with regards to transition to Year 7. We have changed the venue to our new Pavilion so may look at the new facilities if you have not had the opportunity so far.

## Great Fire of Llandaff!

This morning Year 2 welcomed Blue Watch from Ely Fire Station to school. After visiting the fire station earlier in the term, the girls wrote to them to ask them to help with a special project. As part of the 'Fire and Ice' topic, Year 2 girls have been learning about the Great Fire of London. As a homework project, girls made models of Tudor houses and this morning they laid them out on the tennis courts to recreate Pudding Lane. The girls remembered the houses had to be very close together, then stood back as Blue Watch started the fire. Although the girls had mixed feelings about watching their hard work burn, we thought about how lucky we are to have a warm and safe home to return to this evening and imagine how it may have felt for the people in 1666.

Year 5 were lucky enough to also have Ely Firefighters join them in class this morning. They watched a video that showed how quickly fire spreads (a bedroom fire, caused by hair straighteners, took 2 minutes to destroy the room and its contents) and were taught about how to react in a fire and to spot possible causes (including Christmas tree lights).
