# The Head's Update

We cannot believe we have reached the end of the first half of the Summer Term, it really has gone by in a flash. The girls and staff have worked so hard over the past seven weeks and we hope they enjoy a well-earned rest over the holiday and have lots of fun.

### Message from Mrs Ashill

As we come to the end of the first half of the Summer Term, I would like to update you on my health situation. Firstly, thank you for all the good wishes, cards and lovely gifts I have received since I have been away from school. Since 2010, I have been aware that I have a genetic condition called Pseudo Xanthum Elasticum, (PXE). I had lost the central vision in my left eye in 2010, but the condition has been successfully managed by injections in both eyes every couple of months. Unfortunately, my recent injections resulted in an infection in my right eye, which has left me visually impaired, as the fluid inside is full of debris, a result of the infection and inflammation. The prognosis is uncertain at the moment, as to whether it will improve, but I am due to see another consultant soon, who may decide to operate on my right eye if it is appropriate. The care and support I have received so far has been truly excellent and I am confident (and hopeful) that my sight will improve in the future. Again, thank you so much for your good wishes and I will keep you updated on my progress.

### Jewellery – A message from Mrs Davis

A reminder that it is our school policy that jewellery, including earrings, may not be worn by students from Nursery to Year 11 for safety purposes. If your daughter does wish to have her ears pierced, we do ask that this is done at the very beginning of the summer holidays; girls should not have their ears pierced over half term. I know that up until now we have allowed plastic earrings, however from after half term these will no longer be permitted. As mentioned in a previous newsletter, if a watch is worn it should not be internet enabled and must be removed for swimming and PE lessons and given to the teacher. Requests to wear jewellery for religious purposes should be made to me. Also, a reminder that extremes of hair colour is not allowed. Many thanks for your continued support on this matter.

### Howell's Reception

During the half term holiday, from Tuesday to Friday, the main reception will be open from 9am-12pm.

### After School Care, Breakfast Club and Walking Bus

### Congratulations

Congratulations from all the Howell's family to Mr and Mrs Manning on the birth of their little girl, Mila.

We are in the process of working on items for another exciting Howell's Virtual Summer Concert! This will feature girls from Nursery through to the Co-ed College and will be released at 5pm on Wednesday 7<sup>th</sup> July!

After half term, in the week beginning Monday 14<sup>th</sup> June, we will film the video to accompany these songs. For this filming, all the girls in the Prep School (including Nursery) will need to wear trainers, blue jeans (no rips) and a brightly coloured top (not strappy, cropped tops or hoodies). This filming will be weather dependent, so we will let you know, closer to the time, the day in that week when it is due to take place.

In addition, the following Prep School music ensembles will be filming on set in the Great Hall during Monday 21<sup>st</sup> – Wednesday 23<sup>rd</sup> June.

- Prep School String Machine
- Prep School Wind Band
- Prep School Shake, Rattle & Roll Percussion Ensemble
- Prep School Flute Choir

These girls will need to wear trainers, a plain black top (not strappy, cropped tops or hoodies) and blue jeans (no rips) for the filming. Again, we will let you know closer to the time which days the costume needs to be worn.
