What you can support!

The Bursary Fund

At Howell's School and Co-Ed College we know that education has the power to change lives and a Howell's bursary gives students access to that power.

Philanthropy is the cornerstone that Howell's was built on, and the school has been changing lives since it opened its doors in 1860. Our founder Thomas Howell wanted to create greater opportunities for young women, and he knew that education was the key.

Changing Perspectives, Changing Lives

At Howell's, our students are given every opportunity to strive beyond conventional thinking. This is encouraged by teachers, but often the perspective of the student in the next seat is the one that will shape the discussion and take it in a new direction as a result of the question they ask or the view they hold.

By enriching our classrooms with students from a range of backgrounds, with diverse perspectives, we are encouraging new approaches to problem solving and teaching all our students to question, challenge and debate.

Through our Bursary Fund we are creating opportunities for girls and boys from all backgrounds to develop their individual talents and to build their passions as they grow and blossom. A donation to our Bursary Fund will

enable us to increase the number of bursary places available, to ensure we continue to enable the brightest and the best students to flourish at Howell's School and Howell's Co-Ed College.

How Can You Help?

All donations to the Bursary Fund, whatever the amount, are gratefully received and make a significant difference to our young people.

If you would like further information about our match-funding campaign, please contact **Vanessa Yilmaz** on 029 2026 1839 or vanessa.yilmaz@how.gdst.net.

Digital Language Learning

The Power of Language

Today we are global citizens, competing for jobs with people from all over the world, many of whom speak more than one language. Language skills can no longer be regarded as an optional extra to a well-equipped society. Rather, they are a key indicator of how willing and prepared we are to operate in an increasingly multilingual and multicultural world.

Languages stretch the imagination and the world view of students as they learn, developing core skills of communication and empathy alongside their knowledge and understanding of the language itself. Beyond Howell's, knowledge of another language opens up doors to new opportunities. It gives the ability to live and work internationally, and to interact with other nationalities and cultures.

A Digital Language Laboratory

The Modern Foreign Languages team at Howell's is a department of vibrant, experienced and enthusiastic multi-linguists who specialise in teaching French, Spanish and Welsh. Whilst using proven traditional techniques, we also like to integrate the latest technology into our teaching to ensure all students have the right balance of speaking and listening activities.

With the Sanako 700 Digital Language Laboratory, students from Year 3 up to Year 13 will be able take part in live role play activities, describing images, telephone simulation and many other activities all under the control of the teacher. The unique voice insert technology allows students to work independently on question and answer activities or even practice their translation and interpretation skills.

How You Can Help!

We need to raise £10,000 to *Make it happen* and welcome donations of any amount. Every gift, no matter its size, will make a difference.

If you would like further information on our plans, please contact **Vanessa Yilmaz** on 029 2026 1839 or vanessa.yilmaz@how.gdst.net.

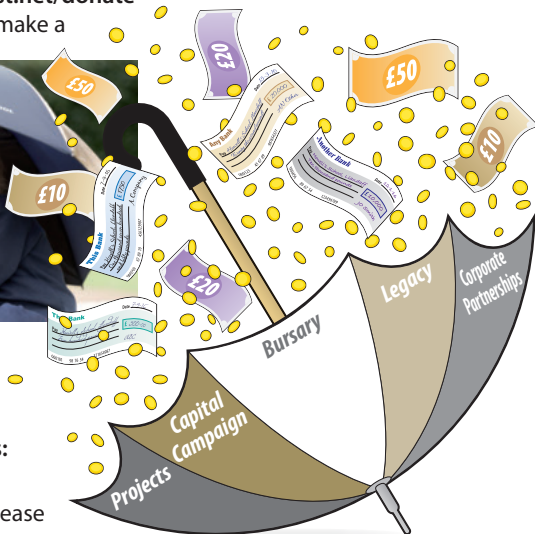

Make it happen...

Ways of Giving

The easiest way is to donate online at www.gdst.net/donate where you can set up a regular Direct Debit or make a single gift.

Alternatively, please complete the enclosed form to make a donation by cheque, CAF voucher, credit or debit card, or to set up a regular donation, and return it in the pre-paid envelope.

Thank You from Sally Davis, Principal

Thank you so much to everyone who supported the *Howell's Umbrella Giving (HUG)* in 2017-2018 helping us to raise over £75,000. I am extremely excited to commence this year's HUG fundraising programme and I hope you will feel able to join me under this year's umbrella and support these vital projects.
